PSPCS PHOTOGRAPHICA

The largest one day Camera Sale, Swap and Show in the Western United States will be held on Saturday April 8th 2017 from 8:30 am to 4 pm at Kent Commons Recreation Center - 525 Fourth Ave North, Kent, Washington. Over 150 six foot tables piled high with digital, antique, "user" and collectable photographica will be displayed or offered for sale or trade by collectors from across the Western United States and Canada. There will be up to twenty-five display tables exhibiting unusual photographic collectables from the collections of Puget Sound Photographic Collectors Society members. The sale/show is sponsored by the Puget Sound Photographic Collectors Society, and the 37th Annual Show is expected to be the best one yet!

Call for Donation of Large format Leaf Shutters

Bob Peters has made a request for broken leaf type press/view camera shutters to be donated for parts to Carol Flutot who repairs leaf type shutters. Her shop is in California. Bob is not going to make any money on this, but it will allow her to continue repairing shutters. She can use Compur, Copal, Ilex, Prontor, Alphax and/or Betax, Shutter can be not working or more or less complete.

Carol provides a real service to anyone using press or view cameras and told Bob that she is not getting the donated shutters she used to get. There are no sources for repair parts except for donated shutters. Thought some of the members might have broken shutters they'd like to see be recycled for parts.

Bob will collect any shutters that turn up at the next meeting or at the show. She has done a good job on the shutters Bob has sent to her and he would like to help her out. Anyone needing to have a shutter serviced, Bob highly recommends her service. If you are interested in Carol's service drop Bob an email at b.c.peters@comcast.net

The sale is a virtual cornucopia of all things photographic--literally thousands of photographic items will be offered for sale or trade. Included will be “user” cameras (both digital and film), lenses, accessories for current and collectable cameras, darkroom equipment, instruction manuals, literature and images dating back to the earliest years of photography. Fascinating antique and collectable cameras attract buyers from around the United States, Canada, Europe and Asia. The instruments that recorded our history have truly become prized treasures. The Puget Sound Photographic Collectors Society, Inc., organized in 1979, is a non-profit group of photography enthusiasts dedicated to encouraging public awareness and appreciation of our photographic heritage. The public is welcome to bring any photographic items they would like to have appraised or to trade or sell. The doors will open to the general public at 10:00 am Saturday April 8, 2017; General admission is \$5.00. For the more serious collector, an 8:30 am early admittance can be purchased for \$15.00. Plenty of FREE parking is available.
